

2017 Health Fair and Back to School Rally Pre-Registration Process

For 2017, **all** parents will be required to pre-register online at **bit.ly/naacprally17**. If assistance is needed, parents may visit a scheduled location to talk with a representative. This means that manual forms received from the summer nutrition sites, recreation centers or entering forms via fax will not be permitted this year. For parents that do not have access to a computer or do not have an email account, a representative will be available during the summer for help with setting up an email account and providing additional guidance, as needed.

Parents that pre-register will need to bring their proof of pre-registration form, along with required residency documents and children birth certificates, to the Health Fair and Back to School Rally on August 19th at the Curtis Culwell Center (CCC), to make the process quicker.

Parents that have their pre-registration form stamped approved at one of the scheduled locations will only need to bring their stamped pre-registration form to the Health Fair and Back to School Rally at the Curtis Culwell Center on August 19.

A2: You may use the library computers, contact your church, family or friends for assistance, go to your nearest recreation center or use your smartphone or tablet. **During the month of June, you can also use computers at the GISD Student Services Parent Room located 720 Stadium Dr., Garland, TX 75040, Monday - Thursday (hours 8 am -5 pm).**

Q3: Is there a way for me to show proof of residency and other required documents prior to the Back to School Rally on August 19th?

A3: Yes. New for this year, we will have locations for you to show proof of residency. Just bring your proof of registration form to one of the pre-registration locations, along with your proof of residency information and birth certificates of school-age children. Your information will be reviewed and then stamped, if approved.

Q4: If my form is stamped, do I need to stand in the registration lines on August 19th at the Back to School Rally?

A4: By showing your summer stamped form, you will be able to move quickly through the process. You will be required to pick up a vendor form, visit several vendors and attend possibly one of the seminar/information sessions. Your completed vendor form will be required to receive school supplies at the distribution area.

Q5: What if my stamped pre-registration form is lost?

A5: If your stamped form is lost, you will need to show proof again by bringing the required documents with you to the CCC on August 19th and going through the registration line. The "stamped" form is proof that you presented required residency documents during the summer at one of the pre-registration locations.

Q6: When does the online pre-registration begin and ends?

A6: Online pre-registration begins June 12th and ends August 6th.

Q7: How many kids may I pre- register for free school supplies?

Remember, to bring the birth certificates for the additional child(ren) with you to the Back to School Rally.
